Form W-4 (2001)

Purpose. Complete Form W-4 so your employer can withhold the correct Federal income tax from your pay. Because your tax situation may change, you may want to refigure your withhold-ing each year.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7, and sign the form to validate it. Your exemption for 2001 expires February 18, 2002.

Note: You cannot claim exemption from withholding if (1) your income exceed's \$750 and includes more than \$250 of unearned income (e.g., interest and dividends) and (2) another person can claim you as a dependent on their tax return.

Basic instructions. If you are not exempt, com-plete the **Personal Allowances Worksheet** below. The worksheets on page 2 adjust your withholding allowances based on itemized deductions, certain credits, adjustments to

income, or two-earner/two-job situations. Complete all worksheets that apply. They will help you figure the number of withholding allowances you are entitled to claim. However, you may claim fewer (or zero) allowances.

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See line E below.

Tax credits. You can take projected tax credits withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See **Pub.** 919, How Do I Adjust My Tax Withholding? for information on converting your other credits into withholding allowances. Nonwage income. If you have a large amount of

nonwage income, such as interest or dividends,

consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax.

Two earners/two jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the dollar amount you are having withheld compares to your projected total tax for 2001. Get Pub. 919 especially if you used the **Two-Earner/Two-Job Worksheet** on page 2 and your earnings exceed \$150,000 (Single) or \$200,000 (Married).

Recent name change? If your name on line 1 differs from that shown on your social security card, call 1-800-772-1213 for a new social security card.

MALE APPLICANTS ONLY

APPLICANTS STATEMENT OF SELECTIVE SERVICE REGISTRATION STATUS

If you are a male born after December 31, 1959, and are at least 18 years of age, civil service employment law (5 U.S.C. 3328) requires that you must be registered with the Selective Service System, unless you meet certain exemptions under Selective Service law. If you are required to register, but knowingly and willfully fail to do so, you are ineligible for appointment by executive agencies of the Federal Government.

CERTIFICATION OF REGISTRATION STATUS (Check one):

- () I certify I am registered with the Selective Service System.
- () I certify I have been determined by the Selective Service System to be exempt from the registration provisions of Selective Service law.
- () I certify I have not registered with the Selective Service System.
- () I certify I have not reached my 18th birthday and understand I am required by law to register at that time.

NON-REGISTRANTS UNDER AGE 26

If you are under age 26 and have not registered as required, you should register promptly at a United States Post Office or consular office if you are outside the United States.

NON-REGISTRANTS AGE 26 OR OVER

If you were born in 1960 or later, are 26 years of age or older, and were required to register but did not do so, you can no longer register under Selective Service law. Accordingly, you are not eligible for appointment to an executive agency unless you can prove to the Office of Personnel Management (OPM) that your failure to register was neither knowing nor willful. You may request an OPM decision through the agency that was considering you for employment by returning this statement with your written request for an OPM determination together with any explanation and documentation you wish to furnish to prove that your failure to register was neither knowing nor willful.

PRIVACY ACT STATEMENT

Because information on your registration status is essential for determining whether you are in compliance with 5 U.S.C. 3328, failure to provide the information requested by this statement will prevent any further consideration of your application for appointment. This information is subject to verification with the Selective Service System and may be furnished to other Federal agencies for law enforcement or other authorized use in implementing this law.

FALSE STATEMENT NOTIFICATION

A false statement may be ground for not hiring you, or for firing you if you have already begun work. Also, you may be punished by fine or imprisonment (Section 1001 or title 18, United States Code).

The Rehabilitation Act of 1973 (P.L. 93-112) requires each agency in the Executive branch of the Federal Government to establish definite programs that will facilitate the hiring, placement, and advancement of handicapped individuals. The best means of determining agency progress in this respect is through the production of reports at certain intervals showing such things as the number of handicapped employees hired, promoted, trained, or reassigned over a given time period; the percentage of handicapped employees in the work force and in various grades and occupations; etc. Such reports bring to the attention of agency top management, the Office of Personnel Management (OPM), and the Congress deficiencies within specific agencies or the Federal Government as a whole in the hiring, placement, and advancement of handicapped individuals and, therefore, are the essential first step in improving these conditions and consequently meeting the requirements of the Rehabilitation Act.

The handicap data collected on employees will be used only in the production of reports such as those previously mentioned and not for any purpose that will affect them individually. The only exception to this rule is that the records may be used for selective placement purposes and selecting special populations for mailing of voluntary personnel research surveys. In addition, every precaution will be taken to ensure that the information provided by each employee is kept in the strictest confidence and is known only to the one or two individuals in the agency Personnel Office who obtain and record the information for entry into the agency's and OPM's personnel systems. You should also be aware that participation in the handicap reporting system is entirely voluntary, with the exception of employees appointed under Schedule A, section 213.3102(t) (Mental Retardation); Schedule A, section 213.3102(u) (Severely Physically Handicapped); and Schedule B, section 213.3202(k) (Mentally Restored). These employees will be requested to identify their handicap status and if they decline to do so, their correct handicap code will be obtained from medical documentation used to support their appointment. No other employees will be required to identify their handicap status if they feel for any reason it is not in their best interest to have this information officially recorded outside of medical records. We request only that anyone not wishing to have this information entered in the agency's and OPM's personnel systems indicate this to their Personnel Office, rather than intentionally miscoding themselves, since false responses will seriously damage the statistical value of the reporting system.

[In those instances where the employee is or was hired under Schedule A, section 213.3102(t) (Mental Retardation), the Personnel Director or his/her designee (a Vocational Rehabilitation Counsefor may also be helpful) will assist the individual in completing this form and ensure that the employee fully understands the meaning of the form and the options available to him/her, as noted above.] Employees will be given every opportunity to ensure that the handicap code carried in their agency's and OPM's personnel systems is accurate and is kept current. They may exercise this opportunity by asking their Personnel Officer to see a printout of the code and definition from their record, by notifying Personnel any time their handicap status changes, and by initiating action in either of these cases to have the necessary changes made to their records. The code carried on employees in their agency's system will be identical to that carried in OPM's system, and any change to the agency records will result in the same change being made to OPM's records.

Your cooperation and assistance in establishing and maintaining an accurate and up-to-date handicap report system is sincerely appreciated.

PRIVACY ACT STATEMENT

Collection of the requested information is authorized by the Rehabilitation Act of 1973 (P.L. 93-112). The information you furnish will be used for the purpose of producing statistical reports to show agency progress in hiring, placement, and advancement of handicapped individuals and to locate individuals for voluntary participation in surveys. The reports will be used to inform agency top management, the Office of Personnel Management (OPM), the Congress, and the public of the status of programs for employment of the handicapped. All such reports will be in the form of aggregate totals and will not identify you in any way as an individual.

Solicitation of your Social Security Number (SSN) is authorized by Executive Order 9397, which requires agencies to use the SSN as the means for identifying individuals in personnel information systems. Your SSN will only be used to ensure that your correct handicap code is recorded along with the other employee information that your agency and OPM maintain on you. Furnishing your SSN or any other of the requested data for this collection effort is voluntary and failure to do so will have no effect on you. It should be noted, however, that where individuals decline to furnish their SSN, the SSN will be obtained from other records in order to ensure accurate and complete data.

Employees appointed under Schedule A, section 213.3102(t) (Mental Retardation), Schedule A, section 213.3102(u) (Severely Physically Handicapped), or Schedule B, section 213.3202(k) (Mentally Restored) are requested to furnish an accurate handicap code, but failure to do so will have no effect on them. Where employees hired under one of these appointments fail to disclose their handicap, however, the appropriate code will be determined from the employee's existing records or medical documentation submitted to justify the appointment.
